

## Overview: BPM Partners 2009 BPM Software Buyer's Guide

The following vendors are covered in the 2009 BPM Software Buyer's Guide authored by BPM Partners, Inc.

Each is placed in one of three categories: Comprehensive, Financial Performance Management, or Specialized.

The vendors receive checkmarks when they meet BPM Partners criteria in each of these areas: Budgeting, Modeling/Strategic Planning, Dashboards, Reporting & Analytics, Financial Consolidation, Operational Performance Management, Advanced Financial Applications (Profitability, GRC, IFRS, Tax, Sustainability), Advanced Technology Adoption (XBRL, Mobile, Search, Appliance, 64-bit), Vertical Solutions, OnDemand Offering, Large Reference Base.

The guide also contains a link to the vendor's website and current commentary from BPM Partners on each vendor.

The guide is available here: [http://www.bmpartners.com/vendor\\_search.shtml](http://www.bmpartners.com/vendor_search.shtml)
