BPM Partners Certifies “Next Generation Ready” Performance Management Vendors

- Nine Vendors Offer Comprehensive Planning, Reporting and Analysis -

Stamford, CT—November 14, 2017—[BPM Partners](#), the leading independent authority on business performance management (BPM), today announced the names of the first nine performance management vendors it has certified as being “Next Generation Ready”. The next generation of performance management will be comprehensive, connected, collaborative, and cloud-based. More specifics about the capabilities and benefits of these solutions along with certification criteria can be found in BPM Partners’ Performance Management: The Next Generation eBook, available [here](#).

The following nine vendors have been certified by BPM Partners as providing Next Generation Ready Performance Management solutions:

- Adaptive Insights
- Kaufman Hall's Axiom Software
- Wolters Kluwer's CCH Tagetik
- Host Analytics
- IBM
- Longview Solutions
- OneStream Software
- Oracle
- Vena Solutions

BPM Partners has developed a set of measurable criteria to be used when evaluating a vendor’s compliance with the core principles of next generation solutions. Certified vendors can be identified by their display of a Next Generation Ready badge. The most up-to-date list of all certified vendors can be found [here](#).

“With BPM Partners’ extensive knowledge of performance management customer requirements, we’re honored they’ve recognized Adaptive Insights as a provider of industry-leading solutions for enterprises both today and tomorrow,” said Fred Gewant, chief revenue officer, Adaptive Insights. “Software companies must continue to advance and evolve with new technology and this certification is a reflection of our continued commitment to innovation on behalf of our customers.”

“Many Finance departments have already received significant benefits from their roll-out of performance management systems. Next Generation Ready solutions will provide additional value to Finance while expanding the benefits of these systems company-wide,” said Craig Schiff, President and CEO of BPM Partners.
