BPM Partners Expands 2018 Performance Management Vendor Landscape Matrix Report

- Report Now Includes Information on A.I. and Beyond Finance Capabilities -

Stamford, CT—July 24, 2018—[BPM Partners](#), the leading independent authority on business performance management (BPM), today announced the immediate availability of a new Performance Management Vendor Landscape Matrix (VLM) designed to provide an up-to-date view of the 2018 BPM market. This comprehensive document combines the analyst assessment with customer satisfaction and pricing data. The addition of Artificial Intelligence and Beyond Finance analysis this year aligns the VLM with areas that prospective BPM purchasers are now focusing on. [The 2018 VLM](#) is still a single report that presents a unified view of the solution options available for financial, strategic, and operational performance management.

Unique Elements of the 2018 VLM:

- Expanded vendor coverage
- Identification of 'Next Generation Ready' vendors (comprehensive, connected, collaborative, cloud-based)
- New ratings for product innovation and ease of doing business
- Tracking of A.I. capabilities including: machine learning, predictive analytics, natural language query, anomaly detection and more
- Examination of Beyond Finance functionality
- Details on targeted verticals

[The 2018 report](#) is available now. The 18 vendors examined in this report target small companies to large enterprises. A new 'Dominant' category has been added to highlight vendors with 3,000 or more performance management customers.

Vendors included: Adaptive Insights, Anaplan, Axiom Software, BOARD International, CCH Tagetik, Centage, deFacto, Host Analytics, IBM, Jedox, Longview Solutions, OneStream Software, Oracle, prevero/Unit4, Prophix, SAP, Vena Solutions, XLerant

" The Vendor Landscape Matrix provides a unique combination of information not available in any other individual report and is solely focused on the key players in the performance management market. This report is a great starting place for anyone researching these vendors." said Craig Schiff, President and CEO of BPM Partners.

About BPM Partners

BPM Partners is the leading independent authority on business performance management (BPM) and related business intelligence solutions. The company helps organizations address their budgeting, planning, financial reporting, regulatory compliance, profitability optimization, key performance indicator (KPI) development, and operational performance challenges with vendor-neutral experts who can guide companies through their BPM initiatives from start to finish while both reducing risk and minimizing costs.
