## **Attend BPM Partners 16th Annual Webcast: The Pulse of Performance Management 2019**

### ***The Evolution of Performance Management - Comprehensive, Connected, Collaborative***

Stamford, CT – May 9, 2019 – [BPM Partners](#), the leading independent authority on business performance management (BPM), today announced the opening of registration for the "[Pulse of Performance Management 2019](#)" webcast, hosted by IndustryWeek, June 5, 2019 at 2:00 p.m. ET.

Now in its 16th year, this annual event is a must-see webcast for anyone considering the purchase or upgrade of a performance management system. It will include unbiased information on the status of all the major vendors (including recent mergers, acquisitions, and investments) as well as best practice guidance for evaluating the growing list of available options.

The webcast will examine current trends impacting performance management such as the expanded role of AI (artificial intelligence) and predictive analytics, the growing volume of data being analyzed, the rebirth of dashboards, as well as what the BPM Pulse survey reveals about peer organizations' plans and priorities. Craig Schiff, CEO and founder of BPM Partners, will host.

During the live session, BPM Partners will reveal for the first time:

- BPM Partners' core list of performance management vendors for 2019
- The highly anticipated BPM Pulse 2019 vendor customer satisfaction ratings including ease of use and Finance self-sufficiency ratings
- NEW for 2019: Vendor functionality ratings for budgeting, reporting, consolidation, dashboards, and analytics
- NEW for 2019: The new look of the vendor landscape after the recent wave of investments and acquisitions
- The 2nd Annual BPM Pulse Awards for top-rated vendors

Although on-demand replays will be available, only live event attendees can participate in the 'Ask the Experts' segment. Two live web attendees will win 2019 Apple AirPods w/charging cases. Register [here](#).

Take the [2019 Pulse survey](#) by May 17, 2019 and see the results during the webcast.
