

# OneStream Software Rated Outstanding by BPM Partners in The Pulse of Performance Management 2019 Webcast

**Only vendor to earn a top rating in all seven categories of BPM Pulse Awards**

June 18, 2019 06:11 AM Eastern Daylight Time

ROCHESTER, Mich.--([BUSINESS WIRE](#))--OneStream Software, a leader in Corporate Performance Management (CPM) solutions for the mid-sized to very large enterprises, has been recognized as an outstanding vendor in the BPM Partners Pulse of Performance Management 2019 webcast.

“OneStream Software was the top-ranked vendor for Financial Consolidation Functionality in our 2019 BPM Pulse Awards and the only vendor to rank among the top-rated vendors for all seven categories. This is especially impressive given that OneStream customers are typically very large enterprises with complex requirements,” said Craig Schiff, CEO of BPM Partners.

In the annual webcast, Schiff, the leading independent authority on Business Performance Management, discussed essential strategies for budgeting, planning, reporting and consolidation systems. The webcast was hosted by IndustryWeek. A replay of the webcast can be viewed [here](#).

The live session revealed for the first time:

- BPM Partners’ core list of performance management vendors for 2019,
- BPM Pulse 2019 vendor customer satisfaction ratings, and
- The second annual BPM Pulse Awards

OneStream earned top ratings for:

- Overall Satisfaction
- Ease of Integration
- Ease of Use
- Finance Self-Sufficiency

- Customer Support
- Financial Consolidation Functionality
- Budget/Planning Functionality

“To be rated an Outstanding vendor by customers who were surveyed by BPM Partners is strong validation of our overall strategy and our continued focus on delivering 100 percent customer success. We are proud to be the only vendor to earn a top-rated score from BPM Partners in all seven categories,” said Tom Shea, chief executive officer at OneStream.

### **About BPM Partners**

BPM Partners is the leading independent authority on business performance management (BPM) and related business intelligence solutions. The company helps organizations address their budgeting, planning, financial reporting, regulatory compliance, profitability optimization, key performance indicator (KPI) development, and operational performance challenges with vendor-neutral experts who can guide companies through their BPM initiatives from start to finish while both reducing risk and minimizing costs.
