

# Board 'Top Rated' for Financial Consolidation in BPM Pulse of Performance Management 2019

Thursday, 18 July 2019 - Chiasso, Switzerland and Boston, US

## The recognition was announced by BPM Partners in its annual webcast

Board International today announced that it has been recognized as a Top Rated vendor for Financial Consolidation in the Pulse of Performance Management 2019 survey.

The annual study, conducted by BPM Partners (the leading independent authority on Business Performance Management), explores software solutions in the areas of budgeting, planning, forecasting, reporting, consolidation, analytics, cloud, AI technologies, and vendor satisfaction. Board received a rating of 4.60 out of 5 for Financial Consolidation in this year's study, making it a leading vendor in the field.

Board Financial Consolidation is a ready-made application for performing all legal and management consolidation and financial closing activities. Centralizing data automatically from across the organization, the solution makes it easy to manage multi-company and multi-currency eliminations, adjustments, and group reporting. It is built upon the Board decision-making platform, meaning it comes with Board's Business Intelligence and Performance Management capabilities in a unified interface.

*"We have invested heavily in Board Financial Consolidation to ensure it makes the entire consolidation process simple, accurate, and effective across multiple currencies and business entities. This BPM Pulse rating and the associated recognition shows us that we've succeeded in building a solution that delivers great benefits for our customers, which I am delighted to see,"* says Michele Bernasconi, Head of Financial Applications at Board International.

*"The Pulse of Performance Management 2019 is designed to help participants identify the most successful vendors that match their needs, benchmark their projects, and leverage performance management best practices,"* said Craig Schiff, CEO at BPM Partners.

## **About Board**

Board is the #1 decision-making platform. Founded in 1994, Board enables people to have a transformative impact on their business, helping them to intuitively play and create with data in a flexible, all-in-one decision-making platform. By unifying Business Intelligence, Corporate Performance Management, and Predictive Analytics, the Board platform allows companies to produce a single, accurate, and complete view of business information, gain actionable insights, and achieve full control of performance across the entire organization. Thanks to Board, global enterprises such as Coca-Cola, DHL, KPMG, Puma, Siemens, and ZF Group have deployed end-to-end decision-making applications at a fraction of the time and cost associated with traditional solutions.
