

Prophix Recognized as Dominant FP&A Vendor by BPM Partners

July 10, 2020

Prophix continues to deliver excellent customer service in the mid-market

MISSISSAUGA, ONTARIO – Prophix Software, a global leader in Corporate Performance Management (CPM) software, has been recognized as a dominant vendor with excellent customer service by BPM Partners, a leading independent authority on business performance management.

In their recent *Vendor Landscape Matrix*, BPM Partners acknowledged that Prophix continues to dominate its market segment with a sizeable community of over 3,500 customers. Prophix’s CPM software is described as a comprehensive solution with detailed planning capabilities and powerful visual analytics. BPM Partners measured customer satisfaction for 16 key attributes in their annual Pulse survey. Prophix’s customer satisfaction was classified as “Excellent,” with high rankings for customer support and finance self-sufficiency. BPM also highlighted Prophix’s advanced functionality including anomaly detection, predictive machine learning, natural language query, and natural language generation.

“Over the last year, we’re particularly proud of our strategic partnerships with Sage and Viewpoint, which will allow us to continue to support customers in diverse industries,” said Alok Ajmera, President and COO of Prophix Software. “We are eager to continue to disrupt mid-market FP&A with innovative solutions for finance professionals.”

Prophix earned excellent ratings for:

- Budgeting
- Reporting
- Ease of Use
- Finance self-service
- Customer support
- Vendor/partner consulting
