

# Wolters Kluwer CCH® Tagetik rated 'Outstanding' and 'Dominant' in the BPM Partners 2022 Vendor Landscape Matrix

---

*BPM Partners, the leading authority on business performance management, recognized the CCH Tagetik expert solution for its broad market presence and high customer satisfaction*

---

[Wolters Kluwer](#), a global leader in professional information, software solutions, and services, today announced that it has been recognized for the third year in a row as a 'Dominant' vendor. This year the company was also awarded 'Outstanding', the highest category for customer satisfaction for its [CCH Tagetik](#) expert solution in the 2022 BPM Partners North American Vendor Landscape for Performance Management.

The highly regarded Vendor Landscape Matrix objectively ranks vendors in the space according to measurable data relating to the market status and customer satisfaction. The BPM Partners analysis highlighted the CCH Tagetik platform for its comprehensive

functionality across operational planning & analysis as well as its advanced consolidation and reporting functionality. The report also described core strengths including product flexibility, AI-powered predictive intelligence, and transaction matching as well as the availability of pre-configured solutions.

“The CCH Tagetik portfolio continues to impress customers and this year received a well-deserved outstanding nod,” said Craig Schiff, CEO, of BPM Partners. “CCH Tagetik continues to be at the forefront of delivering on the vision of performance management by uniting strategic, financial, and operational planning.”

“We continue to focus on delivering an expert solution that helps the office of CFO manage the complexities of our changing world,” said Ralf Gärtner, Senior Vice President and General Manager of Corporate Performance Solutions, Wolters Kluwer. “This recognition from BPM Partners is further evidence that our customers value our commitment to drive innovation that results in better business outcomes.”

CCH Tagetik provides a comprehensive performance management solution, including processes such as financial close & consolidation, financial and operational planning, reporting & disclosure management, regulatory compliance, and advanced analytics & dashboarding. CCH Tagetik expert solutions connect finance and operations to facilitate integrated business planning and integrated reporting.
